

MIKA HASHIZUME

*I never give up on the things  
I want to do.*

Mika grew up in the grand nature of Hawaii until he was sixteen, dreaming to be a professional soccer player. As a kindhearted and caring young man, Mika has the role of a leader as the eldest in the group. “Even if there’s something annoying, I turn it into a joke to tell them rather than being emotional and upset” Mika says, and indeed other members turn to him whenever something happens. Mika decided to join the group because “I played violin and ukulele since I was a kid, so music was always there. I wasn’t sure if I had a creative gift, but I wanted to challenge something unique through songs.” Following his motto ‘Never give up on the things I want to do and can’t help loving,’ Mika says “Right now my motivation for music is the highest. I want devote much time as possible and try and showcase it in a high level.”
